COURSE OVERVIEW

This course equips general cleaners, indoor cleaners and table-top cleaners with the knowledge and practical skills to prepare for cleaning operations, clean, polish and shampoo floor surfaces and carpets using mechanical devices, clean vertical surfaces, communicate with supervisors and customers, and maintain and return the equipment they use.

It is a mandatory core module under the Enhanced Training Requirement for the Cleaning Business Licence, administered by the National Environment Agency (NEA) as part of the Progressive Wage Model.

- Prepare the appropriate tools, equipment, supplies and Personal Protective Equipment (PPE) for the assigned cleaning operation.
- Perform cleaning, polishing and shampooing of assigned surfaces using mechanical devices in accordance with organisational procedures and the device manufacturer's instructions
- Apply workplace safety, waste handling and customer communication requirements during cleaning operations
- Maintain and reinstate cleaning tools and equipment to keep them in safe working condition
